TO WHOMSOEVER IT MAY CONCERN

Subject: Building safety certificate – Reg.

With reference to the above, I have personally visited and observed the building and amenities of K.V.G. International Public School, Kurunjibag, Sullia, D.K. Dist., Karnataka State. I certify that the building and amenities vide building No.: V, 143, E are as per the drawings submitted and certified by the Nagara Panchayath, Sullia. The school building and other areas are barrier free and fulfills the environment norms and regulations. There is separate wash rooms and pathways to facilitate the differentially abled people to move around.

This is true and best of my knowledge.
